	§	
Defendant		

**MEMORANDUM ADOPTING REPORT AND
RECOMMENDATION OF THE UNITED STATES MAGISTRATE JUDGE**

The Court referred the request for revocation of Defendant's Supervised Release to United States Magistrate Judge Rebecca Rutherford for consideration. The Court has received the Report and Recommendation of the United States Magistrate Judge pursuant to its order. Defendant having waived allocution before this Court as well as his right to object to the Report and Recommendation of the United States Magistrate Judge, the Court is of the opinion that the findings and conclusions of the Magistrate Judge are correct.

It is, therefore, **ORDERED** that the Magistrate Judge's Report is **ADOPTED** as the opinion and findings of the Court. It is further **ORDERED** that the Defendant be continued on terms of supervised release. However, the Special Conditions of Defendant's supervised release are modified to provide as follows:

You must participate in a substance abuse treatment program and follow the rules and regulations of that program. The probation officer will supervise your participation in the program (provider, location, modality, duration, intensity, etc.). You will be responsible for the cost of the program based on your financial ability to pay.

You must submit to substance abuse testing to determine if you have used a prohibited substance. You will be responsible for the costs of the testing based on your financial ability to pay. You must not attempt to obstruct or tamper with the testing methods.

SO ORDERED.

Signed October 20th, 2022.
